Notice of Postponement of Preliminary Determinations of Sales at Less Than Fair Value: Polyvinyl Alcohol From the People's Republic of China (PRC) and Taiwan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: David J. Goldberger or Everett Kelly, Office of Antidumping Investigations, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone (202) 482-4136 or (202) 482-4194, respectively.

POSTPONEMENT OF PRELIMINARY DETERMINATIONS: We have determined that respondent parties to these proceedings are cooperating, thus far, in these investigations. We also have determined that both cases are extraordinarily complicated because they are among the first cases being conducted under the Tariff Act of 1930 (the Act), as amended by the Uruguay Round Agreements Act. As such, we will have to address a number of novel legal and methodological issues in the investigations. Accordingly, additional time is necessary to make the preliminary determinations. Therefore, pursuant to section 733(c)(1)(B) of the Act, as amended, we are postponing the date of the preliminary determinations as to whether sales of polyvinyl alcohol from the PRC and Taiwan have been made at less than fair value until not later than October 2, 1995.

This notice is published pursuant to section 733(c)(2) of the Act.

Dated: July 5, 1995.

Notice of Postponement of Preliminary Countervailing Duty Determinations: Certain Pasta From Italy and Turkey

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 12, 1995.

FOR FURTHER INFORMATION CONTACT:

Jennifer Yeske (Italy) or Elizabeth Graham (Turkey), Office of Countervailing Investigations, U.S. Department of Commerce, Room B099, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0189 and 482-4105, respectively.

Postponement

On June 1, 1995, the Department of Commerce ("the Department") initiated countervailing duty investigations of certain pasta from Italy and Turkey. Respondents in both cases have indicated that they will be cooperating in these investigations. In addition, in both cases, the number of alleged countervailable subsidy practices and the number of firms whose activities must be investigated are substantial. Accordingly, we deem these investigations to be extraordinarily complicated. Therefore, pursuant to section 703(c)(1) of the Tariff Act of 1930, as amended ("the Act"), we are postponing the preliminary determinations in these investigations until no later than October 10, 1995.

This notice is published pursuant to section 703(c)(2) of the Act.

Dated: July 5, 1995.
